

## Fillmore Library Receives \$1.5 Million in Funding Expansion Project

By Gazette Staff Writer

(above) On Monday, August 5th at 10:15 a.m. at the Fillmore Library, Director Nancy Schram and District Supervisor Kelly Long accepted a State funding check for \$1.5 million to be used on the Fillmore Library Expansion Project. The Fillmore Library received \$1.5 million in State funding to support the Fillmore Library Expansion Project. A huge thank you to California Assembly Member Monique Limon and Senator Hannah Beth Jackson, who were crucial in getting the needed funds for the library expansion in Fillmore on the State's radar, and we are so grateful for their efforts. The expansion will include a STEAM MakerSpace, a classroom, several study rooms, new public computer stations, and effectively double the footprint of our existing library. We are so excited for the opportunities this will provide for the community of Fillmore, and are so grateful for all the support we have received to bring us to this point!
